Dear Valued Partner,

At Fisher & Paykel Healthcare, our commitment to continually improving our healthcare solutions remains steadfast. We strive to provide best-in-class solutions to our customers, ensuring high-quality products that deliver the best patient outcomes.

To address these volatile conditions and maintain the quality of our products and services, we hereby inform you that we must implement a necessary price increase for most of our products. This increase will range from 7% to 10% and will be effective from **May 1, 2026**.

We appreciate your understanding and continued support during these challenging times. Please be assured that our commitment to serving you and delivering exceptional products and services remains our top priority.

Warm Regards,
